

TOP SECRET!

The Best Daycare Entertainment...

Looking for some hilarious entertainment for your daycare center or preschool? Need a magician who will keep the younger kids entertained?

John tells the kids all about his travels to foreign lands and the exciting tricks that he picked up while visiting these exotic lands. Along the way, kids “wash” clothes, make flowers appear and color a coloring book using their imagination and their favorite magic word.

With wonderful magic tricks, hilarious comedy and interactive entertainment, John keeps the kids laughing and cheering throughout this high-energy show.

Each year John performs at hundreds of birthday parties, school shows and daycare centers. John was Ronald McDonald for nine years and wrote and produced the Mickey Mouse Road Show for six years. John has performed at hundreds of VBS programs not only here in the US but also in Brazil (where he not only did magic shows but taught magic and ballooning to over 125 kids). John has performed on Melbourne’s TV, channel 31 and at the Florida State Magic Convention (won 2nd place in walk-around Magic). In 2009 John performed for 900+ kids at different VBS’s in Romania. In 2011 John performed for 2 Chinese Schools and taught classes in Magic and balloons.

For more information and to check prices and availability, don't delay...
